

COVID-19 Pandemic Dental Treatment Consent Form I, knowingly and willingly consent to dental treatment completed during the COVID-19 pandemic.

I understand the COVID-19 virus has a long incubation period during which carriers of the virus may not show symptoms and still be highly contagious. Given the current limits in virus testing, it is impossible to determine who has it and who does not have COVID-19.

• I understand that due to the frequency of visits of other dental patients, the characteristics of the virus, and the characteristics of dental procedures, that I have an elevated risk of contracting the virus simply by being in a dental office.

• I confirm that I am not presenting any of the following symptoms of COVID-19 listed below:

• Fever

• Shortness of breath

• Dry cough

• Runny nose

• Sore throat, I understand that air travel significantly increases the risk of contracting and transmitting the COVID-19 virus. The CDC recommends social distancing of at least 6 feet for a period of 14 days around anyone who has traveled by air, and this distance is not possible with dentistry.

• I verify that I have not traveled outside the United States during the past 14 days to countries that have been affected by COVID-19.

• I verify that I have not traveled within the United States by commercial airline, bus, or train within the past 14 days.

OFFICE FINANCIAL POLICY

ACCOUNT STATEMENTS

After you have paid the estimated portion of your fees, we will bill the insurance company. If your insurance company pays less than their estimated portion, we will notify by an invoice regarding the balance that is due on your account. You are responsible for the balance due that is not paid by your dental insurance. Reminder, dental insurance companies have a yearly deductible that you are responsible for.

Please contact your insurance company regarding your dental benefits coverage.

If there is a balance on your account that is not paid after 90 days (3 months), a Final Notice letter will be mailed to you, payment is due within 10 days. If no payment has been received, the account will be turned over to the collection agency.

It is customary for us to receive payment in full at the time of your first visit to our office, as well as for emergency visits, recall cleaning visits, routine procedures under basic and major services unless dental insurance has been provided and verified.

When extensive treatment is planned, we realize it may be necessary to make other arrangements. Please discuss any payment arrangements with the Office Manager prior to your treatment.

Collection Agency Fees

In addition to the principal amount owed, I also agree to pay 30% of the unpaid balance if my account is turned over to a collection agency or attorney in an effort to collect any outstanding balance. This may include, but is not limited to, filing fees, court costs, collections agency fees and attorney fees.

The arrangement is established under an agreement between a collection agency and a creditor to collect the debt.

The fee is paid by a debtor pursuant to a contract between the creditor and debtor.

By signing this agreement, I certify that I have read the entire financial policy and agree to all terms and conditions.

A fee of **\$50.00** will be charged to you; this fee cannot be billed to your insurance company and will be your direct responsibility.

No records be transferred with out the payment of this fee.

If you have any questions regarding this policy, please let our Office Manger know and she
